Dear Mercer:

I am writing to enclose check for services rendered. Thanks for same.

Will you please get me a copy of The Trade Name Certificate for my records, and in order to have gasoline coupons, and insurance policies changed.

I will appreciate this service as soon as possible, as we plan to leave for camp around the first of next month, and these things should be taken care of immediately.

Again thanks for your assistance.

Very Truly Yours

P.S. Will you please send me any papers I should have for my files, or I will come in for them if you will notify me when to.
